

## **Rules of the Farm**

- No Smoking Allowed
- No Outside Food or Drink Allowed
- No Running or Screaming as it may make the cows anxious/nervous
- Please use hand sanitizer before entering into pasture and wash hands following visit for health safety
- Do Not TOUCH the fence at anytime
- Only Feed the cows the treats provided
- Stay with your group at all times
- No hitting or yelling at the cows
- Be careful of touching head/face and horns due to cows are unpredictable
- Always start petting/scratching their backside first then can move to neck area
- Don't overcrowd the cows-as they may get nervous easily
- Watch your steps in the pasture-we clean pasture several times a day but they are animals and may have used the bathroom during your visit
- Do NOT put your hands to face/mouth after touching/feeding cows for health safety
- No weapons including both knives and guns allowed at farm
- No outside animals allowed

Before entering into pasture you and everyone in your group must read the rules and please put initials below that you understand rules provided above.
